

HUMAN RESOURCE DEVELOPMENT COUNCIL

COMMUNIQUE

COVID-19 Lockdown

The HRDC hereby informs all its stakeholders that during the COVID-19 lockdown effective in Mauritius as from 10th March 2021, it will provide its services via its online systems. HRDC staff will be working from home using all available technologies to ensure business continuity.

- Operations on the online training grant system will continue normally. Employers are informed that they can presently submit their G3 applications and relevant documents for processing on the online platform for training completed during the period July to December 2020 and are advised not to wait till 15 April 2021 the deadline for submission.
- Registered Training Institutions (RTIs) and Employers can continue submitting applications for approval of course fee for non-award courses, including online courses, to the HRDC during lockdown.
- Employers and Registered Training Institutions (RTIs) are informed that face-to-face training is not allowed during lockdown. Employers and Registered Training Institutions (RTIs) are advised to follow instructions of the authorities on when they would be able to resume face-to-face training.
- NSDP & NTRS: As per Government's directive, training under the NSDP and the NTRS have been interrupted. Beneficiaries and prospective beneficiaries will be informed of the resumption of training programmes in due course.
